

From the parents of:
Cody Byers
Linebacker/DB
Kettering Archbishop Alter High School
Class of 2010

Cody's highlight video was not only the perfect way to give colleges a quick glimpse of his ability but it has been a great momentum for our family as well.

Tom not only took the plays that we thought needed to go out but showcased them in an entertaining and exciting way.

Several coaches recalled certain plays and talked about them, making us know that the video was just what they needed to see.

The process was so simple for us. We picked out a few plays and Tom had some in mind already... after that we really just left it up to Tom's expertise and then a few days later we had this incredible showcase of Cody's years at Alter.

We could not have been more pleased with the highlight tape or in working with Tom. We have a friend that does recruiting for a college in North Carolina and he sees a lot of highlight tapes and he was impressed with Cody's, which told us again how lucky we were that Tom had put it together for us.
