

From the mother of:

Hayley McKeta
Goal Keeper
Tippecanoe High School
Class of 2011

Tom Suttman did a first rate video highlighting my daughter's goalkeeping skills!

Tom took approximately a dozen different game videos from my daughter's high school and select team games and weaved them into a very effective, high quality presentation.

I feel that the video was the main reason my daughter was signed by a division II college.

Once I provided the coach with the video, the conversation quickly turned from being just a visit to a signing discussion!
